A GOOD PAPER FOR EVERY FAMILY.
—All our readers may not be acquainted with one of the most valuable agricultural and family journals in the country, now in its nineteenth volume. We refer to the American Agriculturist, which is a large and beautiful journal, devoted to the practical labors of the Field, Garden and Household. It is prepared by practical men (and women) who know what they write about, and it gives a great amount of valuable information, useful not only to farmers, gardeners, stock-raisers, fruit growers, and those who have little village plots, but also to every family. We advise our readers to send \$1 to the publisher, ORANGE JUDG, 41 Park Row, New York, and try the Agriculturist a year. A specimen copy can doubtless be had by sending to the publisher. Those subscribing now for the twentieth volume, (1861.) will get the remaining numbers of this year without charge.

By some mistake of somebody there was no court held this fall in any of the counties of this Common Pleas district except Spencer. This irregularity of the Court is a source of great inconvenience to some. It is supposed now there will be no Court here until the next regular term, commencing on the 1st Monday in January—when the Judge elect, John J. Key, Esq., will preside. There will then be but three terms of this Court in a year, commencing on the 1st Mondays of January, May and September.

NEW LANDLORD.—Mr. Jordan Sermersheim has rented the popular stand known as the Indiana Hotel, and took possession last Monday. Mr. Freedman has built up for this house an enviable reputation, and of course secured a large share of custom, which the new landlord will spare no pains to retain, and which we are confident he will deserve. The Jasper Brass Band gave a delightful serenade to the incoming and retiring landlords last Monday night.

COOPER'S MILL.—This mill has had its grinding department in full blast for some weeks, and we have had an opportunity of testing the quality of flour manufactured there. We risk nothing in saying that it is not excelled by that of any mill in this section of the country, and we think with careful attention to the quality of flour they send out, Messrs. Cooper & Monroe will soon command the entire home market.

The following is the testimony of the people's confidence in Col. T. Sholders. It is the official majorities in the different counties of the district:

Dubois.....	1016
Pike.....	3
Gilson.....	310
Total majority.....	1329

ARTHUR'S HOME MAGAZINE.—We have received the November number of this almost indispensable family companion. Its perusal in every family would do an immense amount of good. The proprietors offer premiums of fine large steel engravings, suitable for parlor ornaments, to their subscribers in 1861. Price \$2 per annum.

THE RESULT IN THIS STATE.—Henry S. Lane is elected Governor by about 9,871 majority. The Legislature is as follows: Senate—Democrats 22; Republicans 28. House—Democrats 40; Republicans 60. Republican majority on joint ballot 26. We have elected four members of Congress—Law, Cravens, Holman, and Voorhies; the Republicans have seven—Dunn, Julian, Porter, White, Colfax, Mitchell and Shanks.

One week from next Tuesday is the second great contest. Shall the Republicans triumph again? They will not if every democrat will do his duty from now till election day. Our friends should not be discouraged, but go to work in earnest. Remember that the Republican State ticket got a large Breckinridge vote, and a considerable Bell and Everett vote, neither of which it is probable will go for Lincoln. It is fair to calculate that Lane received 25,000 Bell and Breckinridge votes, which will not be cast for Lincoln. Subtract these from his vote and it leaves him in the minority, and demonstrates that we can succeed.

Estimate the entire vote of the State at 252,000, of which Lane received 131,000 and Hendricks 121,000. Of the entire vote say there are 30,000 who will vote for either Bell or Breckinridge. What will be the result?

Vote for Lane for Governor	131,000
Deduct Bell and Breck. vote	25,000
Lincoln's vote,	106,000
Vote for Hendricks	121,000
Deduct Breck. votes	5,000
Democratic vote	116,000
Bell and Everett vote	15,000
Breckinridge vote	15,000
Total	252,000

The Breckinridge vote will be increased considerably above this estimate by the addition of those who did not vote for either candidate for Governor.

We believe, says the Sentinel, that the electoral ticket nominated at the 11th of January Convention, can be carried at the Presidential election if the same effort is made by the Democracy that there was at the State election. If the Democracy can get out the same vote that they did then we see no reason why they should not succeed. Another advantage we shall have, if the polls are closely watched, will be the decreased fraudulent vote on the part of the Republicans. The frauds committed by them upon the ballot box at the State election, were induced generally to carry the county tickets. That incentive will not operate at the Presidential election. And the only advantage the Republicans really have over us is the prestige and encouragement which their success at the October election gives them.

Democrats of Indiana, you can defeat ABRAHAM LINCOLN, the sectional candidate for the Presidency, and maintain your position as a Democratic and conservative State if you make the effort. That is all that is necessary to prevent the triumph of an organization, the success of which will result in arraying one section of the Union against the other—an antagonism which must sooner or later end in disunion. We call upon every Democrat who wishes to avert such a calamity to go to work at once—resolve to know no such word as fail. Get out a full Democratic vote on Tuesday, the 6th day of November, and we will assure a triumph over Republicanism—a victory which will make glad the heart of every man in the Confederacy, from the St. Lawrence to the Gulf of Mexico, and from the Atlantic to the Pacific, who is loyal to the Constitution and the Union, as founded by the Fathers of the Republic.

MISTAKE.—There was a mistake in the footing up of the official vote of this county, as published last week. Law's vote should have footed up 1,391, DeBruer's 320; majority 1071.

The official majorities for Congress in this District, is as follows:

JOHN LAW, Dem.	L. Q. DEBRULER, Rep.
Dubois, 1071	Spencer, 26
Knox, 168	Pike, 26
Davies, 66	
Vanderburgh, 231	Total
Posey, 463	
Warrick, 542	
Martin, 119	
Gilson, 190	
Total	2855
Law's majorities	2,855
DeBruer's majorities	62
Law's majority	2,803

HOME TESTIMONY.
STEWARDSVILLE, Posey Co. Ind. April 23. DR. ROBACK—Sir—I feel it my duty to present you my certificate, to show you the benefit I have received from your medicines, the Scandinavian Blood Pills and Blood Purifier. After being afflicted for some three years, giving our physicians a trial, and also the medicines of Dr. D., I was persuaded to try your Pills and Purifier, which I did, and they cured me perfectly.
Yours, truly, D. J. FUGALL.

DUBOIS COUNTY.—By the telegraph we learn that in Dubois county, Hendricks's majority is 1,163 and Law's 1,111. We presume this intelligence is correct, though it is hard to believe it. We cannot think it possible that we have been beaten so badly there, and haven't a doubt that if the above figures be really correct, there has been enormous swindling at the polls.

Let us look at a few figures of past elections and see whether we could have been beaten so badly in a fair way.

In October, 1856, Willard (Dem.) for Governor got 1,224 votes; Morton (Rep.) 226. Willard's majority 998; total vote 1,450. At the same election Lockhart (Dem.) for Congress got 1,212; Veatch (Rep.) got 238. Lockhart's majority 974; total vote 1,450.

In October, 1858, Niblack (Dem. nominee) for Congress got 1,117; Hovey (Anti-Compromiser) got 191. Niblack's majority 926; total vote 1,308. For Secretary of State, same election, McClure (Dem.) got 1,076; Peole (Rep.) got 109. McClure's majority 967; total vote 1,185.

This year there has been considerable Republican speaking in that county, by both American and German orators, amongst them Judge DeBruer, who makes converts wherever he goes. Besides that, he used to live in Dubois, and now does business there, and is very popular. There is no mistake about this; and yet it is said he is beaten 1,111. If so, it was not fairly done. There has been fraudulent voting, and we think the full returns will show it.—Evansville Journal.

The above is an extract from the Black Republican paper at Evansville, which we publish to show the honest voters of this county the way they are talked about by Black Republicans because they exercise the right of suffrage in their own way, and are not willing to be led by the nose by negro worshippers; and also to show the willful lies invented by such hounds as the Journal man to excuse their overwhelming defeat in this county. Their speakers who are so "popular," making converts wherever they go, opened the eyes of some in this county, who don't approve of placing the negro on an equality with the native, and above the foreign born white citizen. Count "Fog," of Vincennes, who spoke at Huntington, and then lied about our citizens, is one of these "popular" orators we suppose. As far as the figures are concerned the census shows that Dubois county has over 2,100 voters, and if all the votes were brought out the Democratic majority would be greatly increased. No, Mr. Journal, it is not fraud, but your odious doctrines, which caused so large a majority against you in Dubois county.

PUBLIC SPEAKING.—We are requested to announce that Mr. B. F. Mullen, of Ripley, a Breckinridge advocate, will address the people of Dubois at Jasper, next Wednesday, at 1 o'clock.

Too Modest.—"Have you any domestic manufactures to report?" asked a census marshal of the female head of the family rejoicing in the bloom of health. "Well, yes," said she, with something of embarrassment in her voice and countenance, "we have eight with a continued prospect." The marshal, who is a modest man, blushed slightly, made the entry in the schedule with his pencil, and asked how many yards of rag carpet she had made during the year.—Canadaigua (N. Y.) Messenger.
